Thank you Mr. Campbell.

Would December 11, 12, or 13 work? Alternatively, would December 17 work?

Thanks

Thanks for the follow up. I've been discussing the position with Mr Hyman and he is willing to give a deposition. I'm aware that you/your colleagues are in London over the next couple of weeks; so please suggest a few potential slots for Mr Hyman to give his deposition and I will confirm which one(s) are available.

Given the passage of time, it would obviously be useful for Mr Hyman to refresh his memory of the events that you are interested in. To ensure we make most efficient use of the limited time available, if there are specific areas where you know you will want Mr Hyman's evidence, please provide me with details, so that we can reach out to Telegram to see if they will agree to provide Mr Hyman with access to relevant documents.

Regards

Greg
